

# Alliance of Registered Homeopaths

## Application for Registration with ARH Graduate Route 2009 – 2010

**This route is for applicants who have graduated since 2008, from a college recognised by ARH (see website for list)**

Applicants are required to submit **one electronic copy** (via email or disc) and **one hard copy** of a brief portfolio to cover these three areas:

1. About you:
  - Write a brief autobiography outlining your background and experience in homeopathy including any other healthcare knowledge and skills you already have that will be useful in your practice
2. Your practice:
  - Describe the strengths you will bring to your practice
  - Which elements of practise do you consider you will find most challenging
3. Ongoing professional development
  - Describe how you will choose to update and further develop your professional skills

In addition, applicants will need to provide contact details of **two referees**:

1. A supervisor or college principal who can verify that you have reached a level of competence in your knowledge and understanding of homeopathy that meets the standards set out in the National Occupational Standards for Homeopathy
2. An unrelated colleague or professional person, who has known you for at least three years, and can provide you with a character reference.

The ARH office will request both references, using a pro forma form that asks specific questions, so please be sure to include contact details for both referees

Applicants are also required to include a copy of their **graduation certificate** together with **evidence that they have completed at least 100 hours of clinical training** (such as a record sheet signed by a supervisor), a **completed, signed application form** and the **correct fee**

Please complete all three pages of this form, then sign and return to:  
ARH, Millbrook, Millbrook Hill, Nutley, East Sussex, TN22 3PJ
