GUIDANCE NOTES

- 1) Check the activity sheets for the activity that you practice. You can add as many activities to the policy as you like, providing you hold a suitable qualification. If an activity is not listed, please add it to the list on the form and we will inform you if we require an additional premium or more information. If you wish to add any new activities to your policy, please forward a copy of your qualification. If you are a student in any activity and require cover for your case studies, please write student next to the activity.
- 2) Check the premium that you need to pay for the activity that you practice and then tick the appropriate box.
- 3) Answer the questions on the Proposal form and read the declaration, then please make sure that you fill your details in clearly and hand sign and date the declaration form.
- 4) Please complete your membership and insurance application directly to the ARH. Please enclose two cheques: One for insurance made payable to Balens Ltd and one for membership made payable to the ARH. Once your insurance form is returned to the ARH, they will forward this along with your cheque to Balens. If you would like to pay by card, please write the details on the payment form provided with your insurance information or request on the form that Balens calls you directly for your card details.
- 5) On receipt of the above, we will start your policy from the day that we receive your form, providing everything has been completed correctly. If you are practising an activity that is not on the list, we may need further information before cover can be granted. If you have foreign qualifications, we will need you to complete an additional form. Please note that we must receive your renewal documentation before the expiry date of your current policy to ensure continuous cover.
- 6) Please note the completion and submission of this form does not bind you or us to enter a contract of insurance. In order to minimise the need for further clarification please answer all questions fully. You understand that you must make a fair presentation of the risk to us when completing this form and at inception, renewal and whenever you request changes to your policy. This means you must tell us about all facts and circumstances which may be material to the risks covered by the policy in a clear and accessible manner and must not misrepresent any material facts. A material fact is one which would influence our acceptance or assessment of the risk. If you have any doubt about facts considered material, it is in your interest to disclose them. If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.

Balens Specialist Insurance Brokers

Affinity Schemes – UK

Key Points Document

Welcome to Balens

- Balens are a well-established, fourth generation family run business.
- We are a Specialist Insurance Broker for Health & Wellbeing, Fitness, Beauty, other Health Professionals and organisations
- We are experts in the development of Insurance wordings for Health and Wellbeing Professionals. These wordings are, in our opinion, one of the widest available on the market and include important features that other available cheaper insurance packages may not include.

This leaflet provides a summary of the significant features, benefits and limitations of the cover provided by this policy. If you want to see the full terms, conditions and exclusions of the cover please refer to the policy documents, which can be viewed here: www.balens.co.uk/Zurich/CombinedLiabilityPW.pdf and www.balens.co.uk/DASLegalProtectionUK

What Cover does my Affinity Scheme Insurance Include?

- 1. Balens Health Professionals Combined Liability insurance:**
 - Section A: Professional Liability and Malpractice Insurance
 - Section B: Personal Accident Insurance – **(optional cover)**
 - Section C: Business Equipment 'All Risks' Insurance – **(optional cover)**
- 2. Commercial Legal Protection Insurance**

1. Balens Health Professionals Combined Liability Insurance:

Section A: Professional Liability and Malpractice Insurance Policy

- This policy is underwritten by Zurich Insurance plc (Zurich).
- This is a policy that provides cover for Professional, Public and Products Liability for Health and Wellbeing, Fitness, Beauty and other Health Professionals as noted and agreed by Balens Ltd.
- The policy provides a limit of liability of £4,000,000, £6,000,000 or £10,000,000 (referral only). This limit is per section and applies to any one claim, for an unlimited number of claims in the policy year for Section A1 and A2 unless otherwise stated in the schedule. The limit is in the aggregate for Section A3. Legal Defence costs are covered in addition to the limit of liability and are unlimited.
- The policy is on a claims occurring basis with a difference. The policy will cover claims that occurred during the policy period irrespective of when the claim is made, meaning that you are protected for claims that may arise later down the line providing the work was carried out during the period of insurance. We include an upgrade of cover feature on the Zurich Policy that protects you against the effects of inflation, and rising court awards. This offers the advantages of a claims occurring policy with features normally only found on a claims made policy, but with none of the disadvantages, particularly around the issue of discontinuing cover and possibly being uninsured later on if a claim is discovered. Further information about this is available on our website www.balens.co.uk
- The policy will cover you to practice in the UK, cover is also included for temporary trips abroad (please note exclusions apply).
- The policy is an annual policy (unless otherwise stated in Schedule). The policy is renewable each year.

Suitability Statement and Statement of Demands and Needs

Balens Ltd have devised and arranged a bespoke policy suitable for individuals and/or businesses working in the Health and Wellbeing industry. Your cover can be made up of two policies, for each policy we select from only one insurer. For each policy Balens have designed a bespoke policy wording with the insurer and have a delegated binding agreement in place.

This service is on a non-advised basis, which means we do not make a personal recommendation on the suitability of the product. We provide you with sufficient information to enable you to make an informed decision as to whether the policies and the level of cover provided will meet your demands and needs. We act as agent for the insurers involved when sourcing the policy and placing the insurance. In the event of a claim we act as your agent. Your insurance cover start and end date will be specified in your policy schedule. Your obligations to us and how to cancel your policy are detailed in our Terms of Business which are provided alongside this document.

Please read the sections below to ensure the cover you select is suitable for your requirements:

- **Professional, Public and Products Liability cover. The Insurer for this section of the policy is Zurich Insurance plc**
The declaration form requires you to confirm that you are a Health and Wellbeing Practitioner and/or a Business that provides advice, treatment, activities or therapies to members of the public. As such you can be held legally liable for loss or damage to other people's property, injury or harm or financial loss alleged to have been caused to your clients, patients or other parties and you therefore require an insurance policy that meets this requirement. This cover has been designed with the above in mind and to provide defence and payment for damages for the above, as well as covering many additional risks.
- **Individual Personal Accident cover (optional cover). The Insurer for this section of the policy is Zurich Insurance plc**
If you select to include this policy, you confirm you require a protection policy that will provide a lump sum settlement to you, or your estate, in the event of a total or permanent disability or death caused by accident. This cover will provide a short-term solution providing a maximum claims settlement of £25,000. If however, you are looking for a long term solution that provides protection against loss of income due to injury or illness or another type of protection policy, this section will not be suitable. Please contact us for further information on the policies available.
- **Business Contents 'All Risks' cover (optional cover). The Insurer for this section of the policy is Zurich Insurance plc**
If you select to include this cover, you confirm you require a policy to provide protection against the loss, damage or theft of your therapy equipment, computers, photographic, electronic, office equipment and stock used in connection with your business. You are required to select the level of cover that you feel is appropriate to your requirements and you have used a current full valuation for the goods and items concerned and you have considered and understand the potential of underinsurance. If the value of your equipment and/or stock exceed the maximum value provided by this section of cover then the product will not be suitable. Please contact us for further information on the policies available.
- **Commercial Legal Protection cover. The insurer for this policy is DAS Legal Expenses Insurance Company Ltd.**
As a Health and Wellbeing Practitioner and/or Business Balens have recognised a requirement for additional cover relating to potential legal defence costs that may occur through the course of running your business. The Legal Expenses policy provides defence against criminal allegations and provides access to a legal advice helpline.

Payment for our Services

In addition to the premiums charged by Insurers, we normally receive commission from the Insurers or product providers, details of which are available on request. Any commission we receive will be paid from the insurance premium payable by you. We will also, make charges for handling your insurance. You will receive a quotation, which will tell you the total price to be paid, showing any fees, taxes and charges separately from the premium, before your insurance arrangements are concluded. For Catlin Insurance Company (UK) Ltd we may receive additional profit-sharing payments if the volume of business we place with this insurer reaches certain pre-agreed amounts. These additional payments will come from the overall payments that the insurer receives in relation to this type of business. With the Provision of Credit, we do not receive any commission, however, the provider of credit may charge a fee for non-payment or adjustment of debt and this will be explained in documents like the Credit Agreement. Please note that our payment terms are stated on our invoices and it is important that payment is made to us in line with these

terms. We also draw your attention to the sections headed Cancellation of Insurances and Ending your Relationship with us. If in error, any of our clients overpay their insurance by less than £3, the overpayment will be donated to charity. Any overpayments of £3 or more will be refunded to the insured by the same method as the initial payment received. If you would prefer refunds of less than £3 to be paid to you or you wish to know more about our charitable donations, please contact us.

Handling Money

Our financial arrangements with most insurance companies are on a 'Risk Transfer' basis. This means that we act as agents of the Insurer in collecting premiums and handling refunds due to clients. In these circumstances such monies are deemed to be held by the Insurer(s) with which your insurance is arranged. You will be notified if Risk Transfer does not apply and such monies will then be held by us in a Non-Statutory Trust account pending payment. The establishment of the Non-Statutory Trust account follows the rules which the FCA introduced to protect money held by authorised intermediaries. However, you should be aware that, under the Non-Statutory Trust account rules, we are permitted to use such monies temporarily held to advance credit to clients generally. A copy of the Deed of Trust is available on request or may be inspected at our premises during normal office hours. If you object to your money being held in a Non-Statutory Trust account you should advise us immediately. Otherwise, your agreement to pay the premium together with your acceptance of these Terms of Business will constitute your informed consent to our holding your money in a Non-Statutory Trust account. Interest earned on monies held in such a Non-Statutory Trust account will be retained by us. For the purpose of some transactions, client money may pass through other authorised intermediaries before being paid to the insurer.

Cancellation of Insurances and Provision of Credit

You should make any request for the cancellation of a policy or credit arrangement in writing and any relevant certificate of insurance must be returned to us. You are entitled to cancel the insurance policy within 14 days from the day after the day of conclusion of the contract (30 days for Income Protection policies). You will be charged for reasonable costs incurred in relation to the cover and services provided. Cancellation by you in other circumstances may result in enhanced, short-period charges as determined by us and/or the product provider. Credit arrangements can be cancelled within 14 days from the day after the day of conclusion of the contract. Cancellation of a credit contract at any other time may result in you being charged interest and the insurance policy being cancelled. Any refunds of less than £3 will be donated to charity, if you require more information concerning this please contact us. You should also be aware that, in certain circumstances according to the terms of the policy, Insurers may be entitled to cancel your policy and allow a proportionate return of premium. This does not apply to short term policies of less than one month's duration such as commercial risks, also many of our specialist Malpractice and Professional Liability policies do not have a return of premium available. If you allow your insurance policy to lapse, we may not be able to reinstate the policy incorporating previous terms, conditions or at the same costing.

Ending our Relationship

You may terminate our authority to act on your behalf with 14 days notice (30 days notice with regard to Income Protection) or as otherwise agreed without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. Unless otherwise agreed in writing, if our relationship ends, any transactions previously initiated will be completed according to these Terms of Business. You will be liable to pay for any transactions concluded prior to the end of our relationship and we will be entitled to retain commission received for conducting these transactions, together with all fees charged by us for services provided. In circumstances where we feel we cannot continue providing services to you, we will give you a minimum of 7 days' notice.

Your Responsibilities

You are responsible for answering any questions or assumptions you may agree to honestly and to the best of your knowledge, providing the complete and accurate information which insurers and lenders require in connection with any proposal for insurance cover and/or the provision of credit. This is particularly important before taking out a policy but also at renewal or if you make a mid-term amendment to your policy. If you fail to disclose information or misrepresent any fact which may influence the insurer's decision to accept the risk or the terms offered, this could invalidate the policy and mean that claims may not be paid in part or full. They might also be entitled to keep any premium you have paid. For your protection, insurers maintain databases to prevent fraud and the information you give us may be subject to checks. If you are a commercial customer, you have a duty to give a fair presentation of risk to the insurer. This requires disclosure of every material circumstance which you and where applicable your senior management or persons responsible for your insurance know or ought to know following a reasonable search of information available. It should include all facts that would influence the judgement of the insurer or that would put the insurer on notice that it needs to make further enquiries. The information must be presented in a way which would be reasonably clear and accessible to a prudent insurer.

If you are unsure whether to disclose any information you should speak to us. Failure to provide the 'fair representation' may result in a number of remedies by the insurer. If the breach was deliberate or reckless the insurer can void the contract and keep the premium. If the breach was not deliberate or reckless the insurer can apply whichever remedy relevant to the way they would have acted if the breach had not occurred. This could include rendering the insurance void, proportionately reducing a claim settlement or amending the insurance policy terms and conditions then reviewing the merits of a claim on this basis. You should therefore always provide complete and accurate information to us when questioned regarding the insurance risks your business faces before taking out a policy, at renewal and throughout the life of the policy.

This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover. You must check all details on any proposal form or Statement of Facts and pay particular attention to any declaration you may be asked to sign. You must read all insurance and credit documents issued to you and ensure that you are aware of the cover, limits and other terms that apply. Particular attention should be paid to any warranties and conditions as failure to comply with them could invalidate your policy. You must take note of the required procedures in the event of a claim, which will be stated in the policy documentation. Generally, Insurers require immediate notification of a claim or circumstances that might lead to a claim.

You must inform us immediately of any changes in circumstances that may affect the services provided by us or the cover provided by your policy or the offering of credit. This includes any changes in details to contact you like your email or postal address. If you are unsure about any matter, please contact us for guidance. Changes of Circumstances Notification -You must notify us in writing if there are any changes since originally completing your proposal form or other relevant documentation, as this could have a bearing on your cover. We undertake to notify this to your Insurers and supply appropriate documentation for the alteration. If there are any changes in your financial circumstances that may affect your ability to repay any credit facilities we have arranged please inform us so we can assist you.
